As Principal, my door is always open to meet students who want to discuss any aspect of their student life at CBM. Our major focus is the Student Journey, ensuring a rich, enjoyable, and rewarding experience and at the same time, ensuring they have access to a range of exciting opportunities in addition to their studies.

Something that you will notice from day one at CBM, that makes us different to other learning providers is the feeling of being part of a family. We offer a consistent focus on you, we share positive values and we celebrate every success and occasion like a family.

Our academic standards continue to improve each year, and the curriculum we have designed ensures that children are both engaged and able to succeed in an ever-changing world.

We are proud of our growing reputation for helping our students achieve outstanding results, and we look forward to being part of your success story too.

OUR ALLIANCES

As part of our endeavor to bridge the gap between academia and the corporate world, we have established professional link-up and had MOUs with vibrant & renowned companies of Nepal to provide practical exposures (internships) & job opportunities to students.

Together, CBM is nurturing the generation of future leaders who are well-equipped to meet the challenges of the evolving professional landscape. By collaborating with those diverse reputed companies, we are committed to set benchmarks to transform education.

MY SECOND TEACHER

CBM has collaborated with 'My Second Teacher' to help students have the access to quality education anytime, anywhere by using the power of modern-day technology. With this we intend to drive a positive change in the landscape of learning, and the future prospects of Nepal.

"I had an amazing experience at CBM. The curriculum was rigorous and up-to-date, incorporating real-world case studies and practical projects. Along with that, I could access the video-based lessons from My Second Teacher anytime and anywhere; whenever I couldn't attend my classes or I wanted to revise my topics."

OPEN BOOK EXAMINATION

The Terminal Examinations of Grade XI are held as Open Book Examinations where students can refer to textbooks, class notes, or any other approved material. The purpose of it is to test your ability to find and apply information and knowledge, and at the mean time testing your practical knowledge.

The true measure of success lies not in the pages you memorize, but in the understanding you gain."

CBM equipped me with the necessary tools to excel in my chosen career path and instilled in me a lifelong passion for learning and growth. Talking about the Open Book Examination, it truly is an innovative approach that has revolutionized the way we learn and demonstrate our knowledge, fostering a deeper understanding and practical application of concepts.
